- BiON Bio-Essence Nighttime Calcium Complex
- Martinni Lip Collagen Mask
- BiON Titanium Dioxide SPF 35 (tinted or non-tinted)

Treatment Steps

Step 1: Cleanse the skin with Skin Script Green Tea Citrus Antioxidant Cleanser.

Step 2: Second cleanse the skin with BiON Glycolic Cleanser, leave on 2-3 minutes and rinse off.

Step 3: Tone using Skin Script Cucumber Hydrating Toner & MYSKINBUDDY with Intrinsic Cotton Round using setting #1.

Step 4: Apply BiON Lactic Acid Exfoliator-35 leave on for 2-3 minutes. Start at the forehead and chin area, moving to the cheek and nose area. Remove with wet Intrinsic 4x4 to neutralize peel solution.

Step 5: Perform extractions, periodically removing debris with a Intrinsic 2x2 & Skin Script Cucumber Hydrating Toner.

Step 6: Use MYSKINBUDDY on setting #3 (Calming and Brightening mode with Green LED) and slowly move in circular slow motions around the face for up to 5 minutes. Use BiON Nutrient Enriched Face & Body Oil for glide.

Step 6: Apply BiON Hydrating Gelee Mask & Martinni Lip Collagen Mask, leave on 5-10 minutes. Rinse off residue or remove with remove with cool towel.

Step 7: Apply BiON Pure Hydration Serum generously and lightly massage into skin.

Step 8: Apply Skin Script Tri-Peptide Eye Cream around the eye area using the ring finger.

Step 9: Apply BiON Bio-Essence Nighttime Calcium Complex, massaging into skin and BiON Titanium Sunscreen SPF 35.
