Normal, combination & acne prone

45 minutes

PRODUCTS NEEDED

- BiON Naturally Clean Body wash
- BiON Glycolic Cleanser
- BiON Refreshing Toner
- BiON Fruit Enzyme Scrub (Check your state rules and regulations for double exfoliation if your state only allows one use your esthetic judgment for need of client)
- BiON Pumpkin Enzyme
- BiON Hydrating Gelee Mask
- BiON Collagen Revival Serum
- BiON Titanium Dioxide SPF 35 (non-tinted)

Treatment Steps

Step 1: Cleanse the skin with Naturally Clean Body Wash.

Step 2: Second cleanse the skin with BiON Glycolic Cleanser, leave on 2-3 minutes and rinse off.

Step 3: Tone using BiON Refreshing Toner

Step 4: Apply BiON Fruit Enzyme Scrub with exfoliating gloves in circular motion.

Step 5: (optional) Apply BiON Pumpkin Enzyme, leave on for 5-10 minutes. Remove with wet Intrinsic 4x4.

Step 6: Perform extractions, periodically removing debris with an Intrinsic 2x2 Silken Wipes & Refreshing Toner.

Step 7 : Apply BiON Hydrating Gelee Mask, leave for 10 -15 minutes. Remove with wet Intrinsic 4x4.

Step 8: Apply BiON Hydrating Gelee Mask, leave for 10-15 minutes. Remove with wet Intrinsic 4x4 Silken Wipes.

Step 6: Apply BiON Collagen Revival Serum, massaging into skin and BiON Titanium Sunscreen SPF 35.
